JOAN THROWS TONI A BABY SHOWER AND EVERYONE GETS A TASTE OF TONI'S SUPERFICIAL SIDE, WHILE LYNN GETS A TASTE OF HER NEW BANDMATE'S WILD SIDE

Tricky guest stars in his second of four appearances

"Finn-ished" #113--- When Joan throws Toni a baby shower, everyone is shocked when their gifts are dismissed by the snooty Toni, while Lynn's relationship with her new band mate evolves into a love affair and just as quickly fizzles away, on *GIRLFRIENDS*, Monday, May 2, 2005 (9:00-9:30 PM, ET/PT) on the UPN Network. Sheldon Epps directed the episode written by co-executive producer Michael B. Kaplan

Joan convinces William that in today's day and age men not only attend baby showers - - they help plan them too. While William is stuck helping Joan, Maya finds herself chauffeuring Lynn to and from band practice. Lynn's relationship with Finn (Tricky) crosses the line from professional to personal after a one-night stand.

Meanwhile, William becomes livid with Toni after he discovers that she thoughtlessly gave away his gift to her maid. While Joan helps William get his family heirloom back, Lynn realizes that she may have feelings for Finn.
