LYNN AND MAYA TRY AND TAKE CONTROL OF THEIR RELATIONSHIP WOES, WHILE TONI'S BABY COMES SOONER THAN EXPECTED IN THE SEASON FINALE OF "GIRLFRIENDS," MAY 23

"...With A Twist" #115 --- Things don't turn out quite how expected when Joan and William participate in a night of drinking, Lynn and Maya fight for their men and Toni schedules a c-section, on the season finale of GIRLFRIENDS, Monday, May 23, 2005 (9:00-9:30 PM, ET/PT) on the UPN Network. Sheldon Epps directed the episode written by creator and executive producer Mara Brock Akil.

Joan and William try to piece together their drunken escapades from the night before and are pleasantly surprised by the outcome. But Darnell (Khalil Kain) has less luck with his drunken night, after confessing his love for Maya. As a result, Maya forces Joan and William to accompany her to his wedding so she can try and stop it.

Toni goes into labor much sooner than expected, leaving her with no time to call her girlfriends. Meanwhile, Lynn acts on her feelings for Finn(Tricky), which makes her face the reality of their relationship.
